

The Host Apostolate

(Update October 2025)

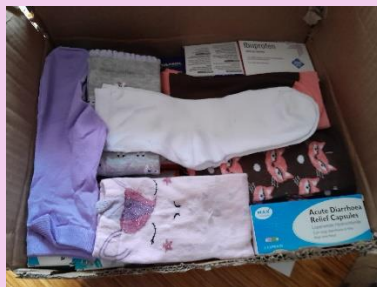

Evangelisation, Formation,
Adoration

The aims of The Host Apostolate continue to be fulfilled in a variety of ways...

In the last years we have expanded our outreach to many countries. The list now includes: Pakistan, India, Nigeria, Cameroon, Madagascar, Tanzania, Uganda, sometimes several in one country. While we send devotional items, we have also now been able to send liturgical items such as vestments, altar vessels and linen. We also send accompanying practical items as requested. This has been a particularly instructive development as we had to send underwear to children who can't go to school without it, medicines and sanitary products, stationary, and last but not least, many books to the Seminary that we support.

We are always grateful for any of the above items but we do emphasise that without FUNDS we cannot send parcels. We reuse everything we can, and local businesses & others help us with packaging.

Below are some pictures of our work...

We have to date sent over 2000 parcels, supported priests with stipends, provided a minibus to Nazareth House (Orphanage) by a large private donation, and helped with refurbishment post-bombing. For more information look at

our website, www.thehostapostolate.org

Of course, we have many publications to our name as well as a worldwide distribution of Encouragement. We also have a long-running prayer group.

If you are interested in helping us, please contact us via the address on Encouragement (monthly) or email us at

thehostapostolate@gmail.com

Thank you for all your help and support thus far...

Pope Leo XIV on evangelization emphasizes it as a personal, continuous journey of conversion and witness to Christ, requiring a deep, authentic friendship with Jesus rather than spectacle or worldly strategies.
