

CHILDREN OF THE HOST

Notice to Parents!

We would like to invite children of any age up to 16 years old to write and tell us what they experience in being a Christian.

This can be in prayers answered, or a prayer, about Mass, what they find difficult or indeed anything to do with their faith.... Even in pictures....

We are hoping for a great response...

Please contact us using our email –

thehostapostolate@gmail.com

We hope to have a small section especially for children...
