

A SMILE...

A **SMILE** costs nothing but gives much. It enables those who receive without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts for ever. None is so rich or mighty that he can get along without it and none is so poor but that he can be made rich by it. A **SMILE** creates happiness in the home, fosters good will in business and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad and is nature's best antidote for trouble.

Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a **SMILE**. Give them one of yours, as none needs a **SMILE** so much as he who has no more to give. ANON.

I Once knew a man

Simply Saints....

I knew a man once who prayed much every day
But never passed the day with anyone.

I knew a woman who bore many children
but said, I love you, to none

I knew a leader who spoke so well in every way,
but could not live out what he told others was 'The Way'

I knew countless of 'the good' who did their best
but never were put to the test and praised no one.

I met one who hidden from view,
carried a parcel of food
every day to a stranger
spoke with a smile and no guile
whose heart was full and eager
and eyes sparkled with Joy.

At the end of his day
The Angels sang come this way
You have found the Son,
Washed by the Blood of this Lamb
Lived His Way , All Saints way.
