

Saturday – Pantasaph 10.45pm – During Exposition in the Chapel-
After Confession - During giving the retreat On Divine Mercy.

Jesus.....Well My dearest little petal – an attempt at obedience to an instant call. You see I will help you at all times if you but will to comply. It is written in Scripture that I do not break My covenant and I will never abandon you.

You see how I speak through you to others and I touch their hearts with Divine Love and Mercy.

This group has a special call for they have been chosen for their love of My Merciful Heart and they will serve Me in all circumstances. You have guided them well and the spiritual bond that I have made between you and Fr. John (D) is a grace and a blessing for these times.

There will be other retreats too and I will guide your thoughts and actions so that you feed My people in the way that I require of you- Halina- pray much for all the retreatants and they have prayed for you.

It is the eve of the very special day. The Day that My very, very special beloved Servant, Teacher, Prophet and Chief Shepherd is recognised for his great service and holiness. He is a blessing to you My people for he will also never cease to guide and succour you as you move into grave times for the world.

The world is approaching a cataclysmic event that will change the destiny of the world for ever. You have not responded Mankind to My call.

You have not been receptive to My Mercy-

Halina.....but Jesus you know that there is great goodness too.

Tomorrow Pope John Paul is Beatified and look at all the Holy people – even those on the retreat – not to mention the Saints in Heaven. Please, please have Mercy on us –

JESUS... Halina I will rescue the Just and those that believe in My Mercy and Trust in Me.

How can I rescue those that do not Trust in Me if they will not comply with My Will. If they do not listen to My voice. If they shun Me or shut Me out how can they change. How can they receive grace if they shut their ears to My pleading, Priests and Holy ones. Halina, be prepared- always ready.

Tomorrow is a day of great and final blessing.

It is also a day of Joy and also of mourning for much will be lost by those that do not know what is to befall and do not see My Mercy.

I The Lord your God have come to show a hard world the gentility of My Heart and the people still clamour to kill Me as they did of old.

YET I AM ALIVE - I LIVE and I want to gather all to Me.

Halina- pray for all Mankind tomorrow – Pray for those who cry for ‘vengeance’ [that they] will not be heeded but that the cries of the poor and the hungry, those who are poor in Spirit will have a place in My Kingdom for surely I shall be their rock, their fortress and I will provide for them.

There will be groaning and cries of despair but they will not hear Me for they do not know My voice.

Halina – stay close to Me always shelter in My Heart. Always find rest there and do not hide other than in My Wounds. Also be constant. You have been purified and cleansed by My healing water and by grace. You have chosen Me above all else and I know how much this has been a struggle for you because you have a mothers heart but you have surrendered and I am your Sole Keeper.

Halina, always resource on Me and look to My Mother for help. She will guide you.

As for that Base House. Wonders will unfold for you must carry others into a new life of grace. I will provide for you. As you can see funds are beginning to pour in from different places and I will ensure that both you and the Apostolate so dear to My Heart are provided for.

Dear little Apostle and Prophet – always speak the truth, do not hold back and never deny My words to you. Always rescue the lost and those who struggle. I have given you many gifts – use them wisely. You are gathering friends and those that can see what I have made you and how I am changing you –

Beloved stay close to Fr. Louis, Fr. John and Fr. John A. Also pray for (Fr) Nicholas who needs your love and support at this time.

*Dearest little one stop now –stop –
I will speak again.*

At this point exposition was about to end.
