Dear Halina,
The Host Apostolate,

I send you warm greetings of love and peace from the Sanctuary of the most high God. I was delighted when I received the news from Sr. Ijeoma Nwanya about your willingness to extend your charity apostolate to the people of St. Jude's Parish Ikpa Eluama Osina, Ideato North LGA Imo State, Nigeria. This is a remote Parish of about 800 congregants (adults and children), inaugurated on 27th December 2017. As the pioneer pastor, I started building from the scratch the Faith, structures and other aspects of the Parish life. Thank God, so far, so good.

Taking into consideration this early stage of our growth, be certain that I and the people of St. Jude's Parish will be glad to receive such aids as you are willing to offer to us in the areas of health care, Sacred vessels, liturgical items, clothing, and Sanctuary fittings. I pray that God may reward and replenish your stock.

Thanks upfront for your generous support and the services you render to humanity

I remain,
Yours sincerely,

Rev. Fr. Johnbosco Ezugba.
Parish Priest
