

Fr. Johnbosco Ezugba, Imo State, Nigeria

A religious sister, Daughter of Divine Love, contacted us about Fr. Johnbosco and asked if we could help him (it is interesting how one project can lead to another as we were already helping the Sisters).

We wrote to Fr. Johnbosco and now several parcels have been received. We only had one problem over one parcel for which a disproportionate levy of retrieval was being demanded. However all other parcels have been received.

“I received the parcel, everything appears intact.
Thank you very much for adding us to your list of projects. May God who works in mysterious ways grant you all you need to carry on with these projects through Jesus Christ our Lord. Amen
All the best!”

We look forward to working together to help Fr. Johnbosco.

Comment from Fr. Johnbosco Ezugba...

(March 2023)

“I can’t really tell you how happy I am with Our Lady’s statue that you sent. It means a lot to me and the members of the ‘Block Rosary Crusade’ and the Legion of Mary in our parish. God Bless you and all the members of The Host Apostolate.

WE are only too delighted to help!
