

Fr. Johnbosco Ezugba, Imo State, Nigeria

A religious sister, Daughter of Divine Love, contacted us about Fr. Johnbosco and asked if we could help him (it is interesting how one project can lead to another as we were already helping the Sisters).

We wrote to Fr. Johnbosco and now several parcels have been received. We only had one problem over one parcel for which a disproportionate levy of retrieval was being demanded. However all other parcels have been received.

“I received the parcel, everything appears intact.
Thank you very much for adding us to your list of projects. May God who works in mysterious ways grant you all you need to carry on with these projects through Jesus Christ our Lord. Amen
All the best!”

We look forward to working together to help Fr. Johnbosco.

Comment from Fr. Johnbosco Ezugba...

(March 2023)

"I can't really tell you how happy I am with Our Lady's statue that you sent. It means a lot to me and the members of the 'Block Rosary Crusade' and the Legion of Mary in our parish. God Bless you and all the members of The Host Apostolate.

We are only too delighted to help!

Exciting News! (2025)

We were delighted to hear of the celebration of Fr. Johnbosco's 10th anniversary of Ordination... We sent him our heartiest congratulations and our best wishes and continued prayers for the future.

We did have a few hiccups with the delivery of parcels, especially as they have to be picked up from another destination (not uncommon in parts of Africa). However, this seems to have been resolved. In the last parcel we sent, amongst other things a white chasuble, even though we did not realise it was his anniversary.... We were therefore delighted to receive photos of the event, showing him wearing the chasuble. He is in the process of having a church built, interior of which requires many things and finishes. We shall have to see what we can do...

Congratulations
Fr. Johnbosco Ezugba
