Rev Sr Sussan Ihuoma Opara,

Sisters of the Compassionate Heart of Christ

Nigeria, Imo State

October 2023

Via another of our projects we were contacted by Sister Sussy, to ask if we could help them with providing various things both spiritual and practical. The Sisters look after children with leprosy and they are in need of many things.

To date we have sent two parcels with which they seem to have been delighted. Sister Sussy sent us a photo of the children (awaiting more), and of herself.

We hope to help in any way we can!

July 2025

We have a good contact with Sister Sussy. After trials and tribulations with parcel deliveries we now seem to have it sorted. We recently received this message:

27th May 2025: "Good day dear friends in The Host Apostolate. In the spirit of gratitude for your support and care. I wish to request for more of your kindness to get us items like wears both adults and children like brief, caps etc. sacramentals, school

materials like pencils, biro, crayons etc. and any more that can be useful to children. Thanks, and God continue to bless you and provide more to you. With love from Sister Sussan Opara SCHC.”

Sisters…. We will do our best!!
